

The Steps to Academic Advising

MID AUGUST

- 10th-12th graders will be able to see their schedules on PowerSchool
- 9th graders will receive their schedule at Freshmen Orientation
- Students who requested Early morning or Virtual Health & PE should review their schedule carefully. PE and Health are separate classes and Virtual/Early morning often have a wait list. It is possible to get into a fall section and not the spring semester section of early morning or virtual health or PE, or vice versa.

LEVEL CHANGES

- Students may request changing from AP to Honors or Honors to Academic level classes until the last day of school before Thanksgiving break.
- Level change requests will be honored based on seat availability.

Level change

CHS Add/Drop Period

CHS ADD/DROP PERIOD

- First 10 days of school.
- Students may request to change electives; course request changes will be honored based on seat availability
- Students may not request a class change based on teacher, peer, or period preference.

JUNE & JULY

Happy summer break!

Mid August

June & July

MAY/JUNE

- Students who are working on improving a teacher recommendation for a core class meet with current teacher to complete the course recommendation improvement guide.
